JEBF Journey to Impact

Our flagship program takes a dual approach:

Empowering mothers through microfinance while supporting their children's education through scholarships. This strategy aims to break the cycle of poverty by equipping families for generational change. By linking access to loans with school enrollment and improving daily income, the program creates a clear pathway out of poverty and into the aspiring middle class.

Impact Stories

"BEHIND MY MOTHER'S DESPAIR, THIS SCHOLARSHIP CAME AS THE ANSWER."

Thalitha Fara Yumna, a YCAB scholarship recipient, is now studying Animation at Dian Nuswantoro University. The scholarship lightened her parents' burden and inspired her to dream bigger.

Her mother, Rominiati, a YCAB Ventures client since Thalitha was in junior high, expanded her food business with access to capital. Together, the scholarship and business support have empowered their family to build a better future.

"THIS SCHOLARSHIP LETS ME FOCUS ON MY STUDIES WITHOUT FINANCIAL WORRIES."

Receiving a scholarship has been a life-changing moment for Rifani. The support not only eases the burden of tuition fees but also strengthens her motivation to study and pursue her dreams. For her mother, Yulianti, seeing her child selected as a scholarship recipient is an indescribable joy. To her, this scholarship is more than just financial relief, it is a gift of hope and a brighter future. As a beneficiary herself, she knows how empowering support and opportunity can be. Now, witnessing her daughter walk the same path makes her even more grateful and proud.
